

# Easy Breezy Hanging Basket Rotator Rings

Easy Breezy Hanging Basket Rotator Rings allow Hanging Baskets to rotate in a breeze

- This product consists of three stainless steel rings and a stainless steel Carabiner.
- The three stainless steel rings allow a breeze to turn a hanging basket with a 270° rotation which is very eye-catching when used with a solar lit trellis.
- When hanging from an eye-bolt, the stainless steel Carabiner is necessary for compatibility.
- Both the rings and the Carabiner have a 200 lb rating.
